

REGULATIONS FOR TRAFFIC DURING CON- CLAVE NEXT WEEK

Chief of Police Issues Official Rules
On Regulation of Traffic on Wed-
nesday of Conclave Week—
Must Be Obeyed.

To prevent accidents, clear streets for the parade and drill contests and give the best possible dispatch to all kinds of traffic on Wednesday of next week, the big day of the Knights Templar conclave, Chief of Police James Mackey, after a careful study of the requirements of the visitors and the conclave, has issued an official list of traffic regulations which will be strictly enforced on Wednesday. These rules follow:

1. Operators of all vehicles are cautioned to drive slow at all times. Speed limit not to exceed 8 miles an hour at intersections and not faster than 15 miles an hour at any time or place within the city limits. This law will be strictly enforced by the Police Department.

2. No one will be permitted to park vehicles of any kind on the following streets before 1 p. m.: Second, between Bridge and Wall; Third, between Bridge and Wall; Wall, between Second and Third; Court street; Market, between Second and Third; West side of Market, between Third and Fourth; Fourth, between Fifth and Market; Limestone, between Second and Fourth.

3. At 11 a. m. all traffic will be stopped on the following streets until after the parade: Second and Third streets, from Bridge to Wall street; Bridge, Limestone, between Second and Fourth; Market, between Second and Third; Court; Wall, between Second and Third.

4. At 1 p. m. all streets will be open for traffic except Market, Sutton and Wall, between Second and Third, which will be one-way streets from north to south until 2 p. m.

5. From 2 to 3 p. m. Court street and Third from Market to Sutton will be closed to traffic.

6. At 3 p. m. all streets will be opened to traffic as usual.

7. Parking will be permitted all day on the following streets:

Second, west of Wall;

Third, west of Cox alley, near E. N. Wheeler's grocery.

Front.

Lower Wall;

Lower Sutton;

Lower Market;

Lower Limestone;

Government;

All streets east of Limestone bridge.

Second street ball park, where officers will be in charge.

Maysville's streets will be taxed to their limit by traffic on Wednesday, May 17th, and no one will be permitted to block any street at any time. I ask the co-operation of the local people in handling this great gathering to best advantage. I would suggest that all local people keep their vehicles off the street until noon.

All traffic officers will be instructed to give any information sought by visitors.

WEATHER DON'T DAMPEN INTEREST IN REVIVAL

Good Audience Hears Rev. Peters at
Forest Avenue Revival on
Tuesday Evening.

The stormy weather Tuesday evening did not prevent a very helpful service at Sadden M. E. church. Rev. Peters preached a powerful sermon based on that scene in the life of Moses when the children of Israel had sinned and were worshipping a golden calf. In reproving the waywardness of Israelites Moses put a very pointed question "Who is on the Lord's side?" With this as a starting point the preacher drew the lines so closely that everyone could locate themselves whether they were on the Lord's side. The close attention given the sermon and the sponges to the invitation for consecration showed that the sermon had gone home to the hearts of the audience. Such faithful preaching of the great gospel truths is sure to bring results. Services will continue each evening beginning at 7:30 o'clock. Prayer meetings in the homes daily. Attend these they will help bring the victory.

REPUTATION

The Bank of Maysville takes pride in the fact that it is considered a great asset to this community. It has built up this reputation by a live interest in county and city affairs. It is personally interested in this community, and values the good opinion of the people.

That old reliable bank has one unalterable purpose — and that purpose should be the purpose of all our citizens — to help Maysville realize its maximum prosperity in such a way that all may share it. It is like a great power house. When it throws in the clutch, gets the community point of view, and goes out to accomplish things, it becomes a great generator of public good. Thousands of people have caught the spirit of the Bank of Maysville — have discovered that it is a public spirited institution with a public service program. They have come in with their deposits and are co-operating with them in their great work.

If you are a man of affairs, you are looking for a progressive public-spirited bank which tries to do whatever a bank may do to increase the welfare and prosperity of the people of this community. The activities of the Bank of Maysville at along lines of progressive conservatism, combined with a knowledge of the actual needs of our community. The farmer and business man will find there an understanding of their problems, in the solution of which that bank will take interest in aiding.

COMMITTEE MAKES DECISION ON PAT- TERNS FOR LEGION

Committee in Charge of American
Legion Shower Announce Every-
thing in Readiness for the Big
Day for the Boys Friday.

The members of the Legion Shower Committee who had in charge the selection of the pattern for dishes and silverware which they ask the public to secure and donate to the Legion at this shower Friday afternoon from 3:30 to 5:30 have decided upon the patterns they desire and the articles approved by them are no on display at the various stores—the silver at the Jewelers and the dishes at L. R. Steel Co., Young's and Schatzmann's. The reason for this selection is that all of the articles given may be of one pattern as nearly as possible. The hardware stores are showing various of the kitchen utensils wanted and they will be glad to assist you in your selection.

If you are in doubt as to what to give you may feel perfectly free to phone any of the committee members, whose names are given below, and they will be glad to advise you.

While the desire of the committee is for the shower to cost each person very little, it is desired and hoped that every one in this county will give something that the shower may be a real community recognition of the Legion's efforts. It is also suggested that persons club together to buy sets of knives, forks, spoons, or other articles recommended by the committee.

The decorators, from Beck & Sons Co., of Cincinnati, who are decorating the city for the Knights Templar conclave next week are using the Legion building for their headquarters until the day of the shower, and when Mr. Beck learned of the shower for the legion he said: "We want to do our bit for the boys, too, and we will see that their quarters are decorated for the conclave in time to make a good showing for Friday, and to be sure it is done in time we will make it the first building in Maysville to be decorated. We're for the boys, strong." As a result the Legion presents a wonderfully pleasing appearance from Sutton street and will be ready, not only for the shower, hand concert and dance, but for the use of the Knights Templar next week.

Let's all go and show the boys that we are still for and with them. Our presence in itself will be encouragement for them.

The names of the committee members are again given for the convenience of the public:

Mrs. L. H. Yeale, Miss Hilda Threlkeld, Mrs. Carolyn Russell, Mrs. T. M. Russell, Miss Lottie Perry, Mrs. Clarence Wood, Mrs. C. F. Stalder, Mrs. Loretta Fox, Mrs. Thelma Owens, Mrs. Frank Clarke, Mrs. C. N. Bollinger, Mrs. John Hunt, Miss Bessie Johnson, Mrs. Stanley Reed, Mrs. C. E. Peterson, Miss Alice Gill.

COLLEGE GIRLS TAKE TOWN.

Forty-two college girls, the Senior Class of Western College, Oxford, O., invaded Maysville at about noon Wednesday and they were shown a good time while here. The young ladies wore on a two day vacation and came up the river on the steamer Greenwood last night. At Concord today they transferred to the steamer Tacoma on their return here and as the Tacoma had quite a large shipment of freight to take on board here they had quite a lot of time to spend. Accommodating young men took the girls for automobile rides to see the city. They gave their college yells on the street corners and were presented with several boxes of candy. The girls voted Maysville a "Regular Town."

ALUMNI ASSOCIATION ELECTS.

At a meeting of the Maysville High School Alumni Association held on Tuesday evening at the High School building the following officers were elected and committees named for the ensuing year:

President—Ernest Ziegler.

Vice President—Myron Merz.

Secretary—Mildred Proctor.

Committee on Dance: R. C. Clift, R. B. Willocks, Georgia Simons, John Watson Mathews.

Committee on Banquet: Lucie Smith, Mrs. George Ballou, Susan Thompson and Elizabeth Clift.

Committee on Decoration: Chris Russell, Lyde Chenault, Louise Adair, and Marjorie Agnew.

BODY OF HELPER'S

CAPTAIN RECOVERED.

The body of Captain E. A. Burnside, who was drowned when the towboat Helper sank in the Ohio River two months ago, was recovered by John Brown of Fairview, Ky., about two miles below Ironsley, Wednesday. Brown was in a boat when he observed the body on the surface. Identification was made through papers in a coat pocket of the victim.

28 THOROUGHBREDS BURN TO DEATH AT LEXINGTON

Fire at Lexington Race Track Tuesday
Evening Burns Several of Sena-
tor Camden's Best Racers.

Lexington, Ky., May 9. — Twenty-eight thoroughbreds, valued at least at a quarter of a million dollars, were burned to death in a fire which destroyed the racing stable owned by Johnson N. Camden, former United States Senator, and J. C. Milam, prominent breeder, at the Lexington race track tonight. The fire is believed to have been caused by lightning.

The blaze had gained great headway before efforts to rescue the thoroughbreds could be started. Six of the horses were rescued, however by J. N. Keegan, track superintendent, and at least several nearby stables.

Miss Humphrey, two-year-old; Louis Adair, three-year-old, and three unnamed fillies were rescued. Melajev, which finished second in the Idle Hour Stakes, run here today, was badly burned, although the extent of his injuries is not definitely known.

Rangoon, Bettina and Darjeeling, mares of the older division of the stable, were among those which met death in the fire. Fair Agnes, Golden Apple and Senator Ernst are among the best of the two-year-olds which were burned to death.

JONES-COBB.

Miss Bessie Jones and Mr. Forest Cobb were quietly married Wednesday morning at 10 o'clock at the home of Mr. and Mrs. Lewis Cobb, of Forest avenue, by Rev. J. A. Davis.

The bride has made her home in Maysville for the past year and has won many friends by her attractive manner and charming way. The groom is the Rural Mail Carrier on Route No. 1 and is highly respected by all. Immediately after the ceremony they left in the groom's car for a trip through Central Kentucky and then for a visit to the bride's sisters in White Plains, Ky. They have the congratulations and best wishes of their many friends and will be at home after June 1st at the groom's residence east of this city.

BOAT VICTIM IMPROVING.

Wilbur Lee Morgan, 14 years old, musician of the Manchester (Ohio) Band who was injured when a part of the deck of the Island Queen collapsed near New Richmond, on Grant Centennial Day, is improving at Christ Hospital. The boy suffered a broken back and is encased from the armpits to the hips in a plaster cast. Despite this, the boy is one of the most cheerful patients at the hospital. — Cincinnati Commercial-Tribune.

FORMER FLEMING COUNTY BOY IS DROWNED IN TEXAS

Only Son of Mr. and Mrs. Sam T. Col-
lins Is Drowned With Three Som-
pansons in Texas Creek Dur-
ing Water Spent.

The Fleming Gazette says

A message was received here last Wednesday stating that Eugene Collins, only son of Sam T. Collins and wife, at San Antonio, Texas, had been drowned. No further particulars were given, but it was expected a letter would be received later stating just how the sad occurrence took place. Eugene left here several years ago with his parents and the news of his death came as a surprise and shock to his relatives and friends.

A letter received by Mrs. W. H. Sheekley from John Spencer, a Fleming countian, states that Mr. Collins came to his death Tuesday evening.

He and another young man and two young ladies were all drowned during a storm. The party had gone to a bathing beach about 30 miles from San Antonio, and the inference is the boat may have capsized, though the letter doesn't say. The bodies were recovered.

The letter was written before all the particulars were learned by Mr. Spencer, who said another letter would follow.

Since the above was written a clipping from a San Antonio paper has been received.

Those drowned were Marjorie Baty, Imogene Powell, M. C. Davenport and Eugene Collins.

The party in a Ford sedan left Draufels, a suburb, at 9:30 p. m. returning to San Antonio. Nothing more was heard of them until the next day, when the sedan was found upset in the bed of a small creek and the four bodies covered with mud were located a half mile or so below a ford, where it was evident the party had attempted to cross and were swept away by the rushing waters. A water spout had visited the vicinity about the time the accident occurred and the storm had prevented the young people from seeing the rushing current into which they drove. It was a sad event, indeed.

A mother of one girl lay awake all night worrying over her daughter's delay in returning only to learn next day of the sad end she met.

It is reported as improving very satisfactorily at a Cincinnati hospital and will be returned home soon.

MAYSVILLE MAN IS MADE STATE OFFICER OF THE K. OF C.

Thomas W. Breen Highly Honored at
State Convention of Knights of
Columbus Held at Ashland
By Election.

Mr. Thomas W. Breen, of this city, was quite highly honored by the Knights of Columbus of the state of Kentucky at the annual state convention held this week at Ashland, Ky., by being elected to the office of State Warden, a very important and influential office and placing him in line for the highest office in the entire state.

In a highly complimentary address, which he can make to perfection on all occasions, Hon. Frank P. O'Donnell, of this city, placed Mr. Breen's name in nomination and he was elected by a great majority.

Mr. Breen has long been prominent in K. C. circles throughout the state and this honor comes to him as a recognition of his real worth to, and enthusiastic interest in the order. During the recent meeting of the state convention in this city, Mr. Breen was presiding officer of the local council. He held this office for several years and during his administration rapid strides were made, the membership increasing by leaps and bounds.

Maysville is proud to have so capable and efficient representative in the list of state officials of this order.

METHODIST MINISTERS MEET.

The Methodist Episcopal ministers of the Maysville group comprising about twelve preaching points will hold an all-day session at Third Street M. E. church Thursday. Dinner will be served by the Ladies' Aid Society. A representative of Union College will be present to present the great educational campaign now in for this Kentucky conference education institution.

A NEW DODGE

Having failed to secure either debt cancellation or the acceptance of German bonds by the United States in place of bonds from the countries which owe money to this country, internationalists are now out with a scheme to float a German loan guaranteed by the "allied and associated nations." The money loaned to Germany would of course, go to pay the reparations debts, which are owed to Great Britain, France and Belgium. Thus the plan is to have the United States guarantee a German loan to furnish money for Europe. That is the nearest the internationalists now hope to get to a debt cancellation.

It can not be denied successfully now that all Ireland wants is a fighting chance.

PROSPECTS ARE STILL GOOD FOR DOUBLED BEN ACREAGE.

Lexington, Ky. — With the Kentucky soybean planting season close at hand, indications still point to a doubled acreage of the crop in the state this year, according to Ralph Kenney, crops extension specialist of the College of Agriculture. More interest has been shown by farmers to the soy beans this year than in any previous one, he said.

"We have found that the use of one of the best varieties, a good seed bed, inoculation, planting on the proper date and at the proper depth are the five essentials for success with the crop in Kentucky," he pointed out.

"Results obtained by farmers indicate that the Mammoth Yellow variety is superior for hay in all parts of the state while the Haberland, Lexington and Hollybrook have proved to be good ones for seed and hogging off purposes.

"No field crop requires a better seed bed than soybeans. Experience has shown that good results are obtained by giving the bed a thorough preparation similar to that for corn.

"The importance of inoculation cannot be overestimated in connection with the successful growing of the beans. The soil for the necessary inoculation may be obtained from any field that grew soybeans the previous year, one pint of which is sufficient for a bushel of beans. Farmers who have never grown soybeans on the land before should inoculate their seed.

"In most parts of Kentucky, May 15 to 25 is the best time for planting the beans. By this time the soil is warm and if it is thoroughly worked before the beans are planted, many weeds can be killed and considerable moisture saved.

"Perhaps the most common mistake in planting soybeans is to plant them too deep. On most soils, one inch usually is deep enough. The soybeans come up with their necks crooked like other beans and if planted too deep may be injured by the crust that forms for them come through the soil."

VOUCHERS MULTIPLIED BY TEN AFTER PAYMENT, CHARGE.

Warfield — James Horn, former sheriff, has employed an auditor to examine county books, believing that the audit will refute the claim that he is indebted to the county \$2,000 to recover which County Attorney Preese is preparing a suit. The county attorney states also that a number of vouchers that were raised after payment have been disclosed, but responsibility for them has not been placed. In five instances which have come to light, he alleges, the amount paid out, was multiplied by ten.

WOMEN'S WEBS

Maysville Women Are Finding Relief At Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with aching backs and many aches from kidney flia. Keeping the kidneys well has spared thousands of women much misery. Read of a remedy for kidney flia only that is endorsed by people you know.

Mrs. E. L. O'Brien, 312 West Second street, Maysville, says: "Three years ago I had an attack of kidney trouble and my back ached continually. I had no ambition to do my housework and everything seemed a drag to me while going about it. I had blinding, dizzy spells and my head ached all the time. My kidneys were not acting regularly and in other ways showed signs of disorder. Dear's Kidney Pills were recommended to me and I sent to Wood & Son's drug store and got a box. After using them I got over the trouble entirely and have never since been bothered. I willingly recommend this remedy."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Dear's Kidney Pills—the same that Mrs. O'Brien had. Webster-Milburn Co., 157a, Buffalo, N. Y.

WOMEN OF MIDDLE AGE

A Trying Period Through Which Every Woman Must Pass

Practical Suggestions Given by the Women Whose Letters Follow

Phila., Pa. — "When I was going through the Change of Life I was weak, nervous, dizzy and had headaches. I was troubled in this way for two years and was hardly able to do my work. My friends advised me to take Lydia E. Pinkham's Vegetable Compound, and I am very sorry that I did not take it sooner. But I have got good results from it and am now able to do my housework most of the time. I recommend your medicine to those who have similar troubles. I do not like publicity, but if it will help other women I will be glad for you to use my letter." — Mrs. FANNIE ROSENSTEIN, 882 N. Holly St., Phila., Pa.

Detroit, Michigan — "During the Change of Life I had a lot of stomach trouble and was bothered a great deal with hot flashes. Sometimes I was not able to do any work at all. I read about Lydia E. Pinkham's Vegetable Compound in your little books and took it with very good results. I keep house and am able now to do all my own work. I recommend your medicine and am willing for you to publish my testimonial." — Mrs. J. S. LIVERNOIS, 2051 Junction Avenue, Detroit, Mich.

Lydia E. Pinkham's Private Text-Book upon "Affections Peculiar to Women" will be sent you free upon request. Write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

The critical time of a woman's life usually comes between the years of 45 and 50, and is often beset with annoying symptoms such as nervousness, irritability, melancholia. Heat flashes or waves of heat appear to pass over the body, cause the face to be very red and often bring on headache, dizziness and a sense of suffocation.

Another annoying symptom which comes at this time is an inability to recall names, dates or other small facts. This is liable to make a woman lose confidence in herself. She becomes nervous, avoids meeting strangers and dreads to go out alone.

Lydia E. Pinkham's Vegetable Compound is especially adapted to help women at this time. It exercises a restorative influence, tones and strengthens the system, and assists nature in the long weeks and months covering this period. Let it help carry you through this time of life. It is a splendid medicine for the middle-aged woman. It is prepared from medicinal roots and herbs and contains no harmful drugs or narcotics.

LAMBS ON EARLY MARKET BRING BIGGEST RETURNS.

Lexington, Ky. — Thousands of Kentucky lambs that are being prepared to the market at this season of the year will bring greater returns if given a little extra feed and care to put them in marketable condition at the earliest possible date, according to L. J. Horlacher, in charge of the College of Agriculture sheep work. In addition to bringing a higher price, the early lamb is less apt to be troubled with the parasites and summer heat affecting those that are held for a later market, it was pointed out.

In 1921, the average price paid for choice lambs on the Louisville market was \$13.40 a hundred in May, \$12.20 in June and \$10.80 in July, according to figures cited to show the greater value of lambs that go to market early.

Parasites which often cause heavy and disastrous summer losses ordinarily do not give lambs much trouble until about the middle of June. Getting the lambs off to an early market therefore avoids trouble from this source, it was added.

In connection with the effect of summer heat on spring lambs, figures derived from monthly weights kept on a flock of registered sheep under good care show gains are made more slowly and consequently at greater expense after hot weather comes. The average monthly gain for each of 91 lambs, during the seasons of 1917, 1918 and 1920 was 16.1 pounds in May, 13.3 pounds in June and 4.2 pounds in July.

New York Letter

by Lucy Jeannie Price

New York. — Hand painted chiffons and crepes are not unknown for use in creating costumes. Mrs. Mrs. John Sloan, wife of the artist, achieved considerably more than any previous devotees of elaborate frocks in the costume she wore at the fancy dress ball given recently by the Independent Artists. One would hardly believe that it was unique but the amazing thing is that it was beautiful, too.

belonging the Bible to the vaudeville stage, in the view of Mrs. Ida Benfey Judd. For twenty-eight years, she says, she has been working to bring the Book of Job to that platform where everyone will hear it. Now at last she has done it. She will give it at a benefit for Blind Babies to be held this month, and she has hopes of making it an act for the commercial theater if it takes well at the benefit.

duction at the Provincetown Theater, is a light but exceedingly realistic comedy by Susan Glaspell. It is the plausible story of a man who thought he couldn't write poetry back home where he was "chained" by conservatism and family routine. He tried New York in consequence and learns to know the group of radicals who are supposed to be the inspiration he needs. Strangely, he is homesick. He goes back and tries again in the old familiar surroundings. All this time he is actually writing and doing it well but insists upon how much better he could do if it weren't for the "chains." So they are all broken. His wife turns radical and his whole family sympathize with his views. Lo and behold! He can do nothing at all. Then his wise mother tells a secret to his wife. Her Seymour can't write unless he is harassed and worried by his "chains." His wife goes back to the conventional social life, Seymour struggles with all the boredom and the difficulties, and writes god poetry as the result.

land for many years, bids fair to become a standard sport in this country. Introduced two years ago, it has approached a solid foundation in our interests, and the meet with Canadian entrants to be staged at Belmont Park late this month promise to be a great success. Whippets are smart, fleet dogs, something like miniature greyhounds, and win a place in one's affections very easily.

This modern business strain which one hears so much about is evidently not confined to the congested centers. Down in the quiet village of Babylon, Long Island, this sign, verbatim, has appeared in a shop window. "I have been in Business a long time, I have been cussed and discussed, Boycotted, talked about, lied about, lied to, hung up, held up and robbed. The only reason I am in Business now is to see what the H is going to happen next."

—NY—

It's expensive to get married. That has been said sometime before, I'm pretty certain; but it's still true; and in unexpected ways occasionally. Mrs. Zora Delare Josephson, who describes herself as coach and chapeone, has sued Mrs. Lillian Krause Allen, for \$5,000 because she fell in love and changed her plans from a career on the staff to one in matrimony. Mrs. Josephson declares that Miss Krause engaged her services to get her on the operatic stage. Then after she had introduced her to Caruso and a lot of other people and had everything looking rosy, along came a Philadelphia dry goods merchant, George Allen, and persuaded the young singer to get married instead.

Even ordinary day school doesn't

go well with married life, to say nothing of such things as opera. When Lewis de France, sixteen years old, was arraigned for truancy the other day, because he had been absent from school for twenty-two consecutive days, it was discovered that he had been married and had taken upon himself the serious details of supporting a wife. Magistrate Harris agreed that one couldn't attend to too many things in this life and dismissed the charge.

THINGS LOOKING

BRIGHTER IN ALL INDUSTRIES NOW

Committee on Unemployment Reports Things Much More Encouraging In American In the Past Few Months.

Industrial skies are brightening throughout the middle west and eastern sections of the country, according to numerous reports received by the President's Conference on Unemployment. In the far west conditions have not been anywhere near as bad throughout the winter as had been anticipated last autumn. Many cities now announce that their employment work is at an end and because need for it no longer exists.

As an example of definite improvement, Chicago issued permits for \$19,000,000 of building in March, as against \$7,000,000 for the same month a year ago. Building permits for thirteen Illinois cities also show a 150 per cent. gain.

In Houghton, Michigan, 1,000 more men are working than in November last, and of \$50,000 raised to relieve the unemployed, but \$20,000 had to be used. Wilmington, Delaware, reports additional employment for 600 men in the next ten days. The Duponts have announced the erection of an addition to their fibro silk plant there which will give work to 850.

The American Legion employment bureau in Baltimore has more help-wanted calls than registrations, which

shows that the drive for jobs for veterans there has been successful. W. W. Baxley, Mayor of Roanoke, Virginia, writes:

"It gives me pleasure to say that we have very little, if any, unemployed in our city today, conditions have improved greatly the last few weeks."

From the Milwaukee Committee on Unemployment comes this statement: "The Milwaukee situation is so very favorable that our local committee has decided to wind up its efforts." Yonkers, N. Y., and Youngstown, Ohio, report similarly.

A. L. Humphrey, President of the Westinghouse Airbrake Company, writes from Pittsburgh: "I am very glad indeed to report that employment is gaining very rapidly; in fact, if business continues to improve for the next 90 days as it has so far this year, there will be very little unemployment."

Mayor M. W. Gross, of Allentown, Pa., writes: "Several of the large employers are running at full time and have taken on a large number of additional men. I am firmly convinced that if the coal strike does not interfere with the operation of our plants the next month will almost entirely rectify the situation."

R. W. Budd, Secretary of the Poughkeepsie, N. Y., Chamber of Commerce

writes: "We are again experiencing a shortage of common labor together with a shortage of some building trade mechanics. Numerous plants have been putting on help and the unemployed industrial worker is fast getting back to work."

Wylie Brooks, aged 23, and Sudie Gardner, aged 21, colored, of the county, were married here Saturday morning.

Odorless Refrigerators

The mineral wool insulation is perfect in that it keeps the ice from melting. The ice trap is an exclusive feature—it not only shuts out air but catches all sediment and impurities—which may quickly and easily be removed. The ventilation insures a perfectly sanitary and odorless box at all times, and the prices are unusually moderate.
